CERARL LAMINATE WITH MATCHING CERARL PANEL

WWW.ADMIRA.SG
f @ P # ADMIRAHPL

Designed to look like nature,
with natural textures, grains, and patterns -
laminates are the way of the future.

Create a mood that fits your personality and
rediscover your surroundings. No matter what mood
you're in, we have the perfect laminate for you.

Have an open mind, be inspired by what's around
you and create something special with Admira.

Traceless

FINGERPRINT RESISTANT & ANTIMICROBIAL LAMINATE

When we say “Traceless”, we mean it both ways. As its name implies, Traceless leaves no fingerprints or bacteria behind. Our antimicrobial certified laminates, which contain silver ions (Ag+), effectively inhibit microbial growth upon contact, providing you and your loved ones with long-lasting protection.

This range is best viewed in actual size.

SURFACES FOR EVERY MOOD

THERMAL SELF HEALING

BRILLIANCE NOIR is an extremely resistant and durable surface with thermal healing properties. Micro-scratches can heal independently or with the use of friction or heat.

To begin the thermal healing process, rub a dry or moist magic sponge over the micro-scratches. Surfaces will be healed in a short amount of time.

THERMAL HEALING

ANTI-FINGERPRINT

BRILLIANT MATTE

BRILLIANT MATTE

Irresistibly soft to the touch, seamless matte from every angle, and deeply light-absorbent.

ANTI-MICROBIAL

HYDRO REPELLENT

FIRE RETARDANT

ANTI-MICROBIAL

High resistance to the growth of bacteria and viruses, providing long-lasting protection.

CHEMICAL & STAIN RESISTANT

HIGH SCRATCH RESISTANT

HIGH IMPACT RESISTANT

ANTI-FINGERPRINT

Fingerprints, smudges, smears, and streaks are hardly visible.

FIRE RETARDANT

Prevents the start or slow the spread of fire.

CLEANING & CARING TIPS

Cleaning is a breeze with **ADMIRA** laminates – all it takes is a damp cloth and regular dish-washing liquid (optional) for removing greasy stains. For stubborn stains, an organic solvent such as methylated spirits or alcohol will do the job. Brushes with hard bristles (non-wired) may also be used for gentle scrubbing.

To keep your laminates in good condition, avoid any application other than the laminate's directed usage instructions. Examples of discouraged application include using the laminate for horizontal applications for products where "Vertical Application" is stated. Other examples include applying the laminates at outdoor areas under direct sunlight or placing hot cookware directly onto the laminate surface. Proper maintenance and care will keep your laminates in good shape throughout its lifespan.

ADMIRA laminates are certified under the Singapore Green Label scheme and the Singapore Green Building Product scheme for supplying quality green materials that meets safe indoor usage needs. Our products are awarded GREENGUARD and GREENGUARD GOLD for meeting stringent chemical emissions standards, making them a safe choice for schools and healthcare facilities.

ADMIRA is also committed to sustainability. Our materials are harvested from sources that comply with environmentally and socially responsible forestry.

CERTIFIED FIRE RATED MATERIAL

ADMIRA laminates are tested by **TÜV SÜD PSB** for propagation and surface spread of flame performance, achieving optimum fire resistance properties. Kindly contact us should you require test reports and certifications.

ANTIMICROBIAL CERTIFIED

ADMIRA laminates are evaluated and certified for antimicrobial effectiveness in accordance with JIS Z 2801 / ISO 22196. Kindly contact us should you require test reports and certifications.

DISCLAIMER & WARRANTY

Colours and patterns of the actual laminate piece may vary with laminate pieces presented in this catalogue and on our digital platforms. Clients are advised to confirm the selected designs, corresponding colour codes and material attributes with **ADMIRA**'s representative prior to ordering. **ADMIRA** will not be responsible for any claims resulting in errors from this catalogue or from the sample selection process. In compliance to strict material properties and quality controls, **ADMIRA** ensures that its products are reasonably free of defects upon delivery. Customers are advised to examine the product for any noticeable manufacturing defects before installation. Should there be any inherent defect not due to mishandling or improper installation, **ADMIRA**'s liability will be limited to the replacement of products.
