# INTRODUCING **AUREAL DECORATIVE PANEL**

**AUREAL** is the next generation of decorative panels, offering remarkably authentic designs and lifelike textures that look and feel more realistic than ever. Engineered for performance, **AUREAL** provides a seamless finish and water-resistant construction, combined with anti-microbial properties that inhibit mould and microbial growth, especially in wet areas.

It is built to last with excellent light fastness, ensuring colours remain vibrant over time. The high impact resistance and scratch-resistant surface make **AUREAL** a durable choice for busy residential and commercial spaces.

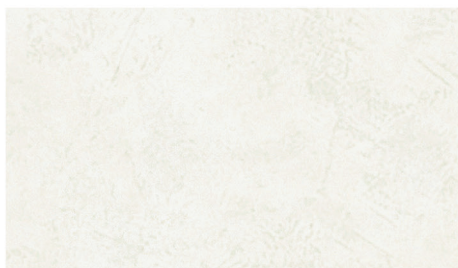

**AUREAL** delivers beauty, strength, and hygiene for interiors that demand superior performance.

**NONCOMBUSTIBLE PANEL** 4ft x 8ft | 1220mm x 2440mm ( $\pm 2$ mm)

**DISCLAIMER & WARRANTY**

Clients are advised to reconfirm the selected designs, corresponding colour codes, and material attributes with ADMIRA's representatives prior to ordering. ADMIRA will not be responsible for any claims resulting from errors in this catalogue or from the sample selection process. ADMIRA ensures that its surface products are reasonably free of defects upon delivery, in compliance with its strict material properties and quality controls. Customers are advised to examine the AUREAL quality before installation for any noticeable manufacturing defects. Should there be any inherent defects not due to mishandling or improper installation, ADMIRA's liability will be limited to the replacement of products only. Colours and patterns of the panels in this catalogue and on our digital platforms may vary from actual AUREAL pieces.
